## REAL ESTATE GUIDE

A limited number of choice office or medical suites are still available for sale or lease in Keawe Business Center, a brand new Class "A" building.

## Keawe Business Center welcomes new tenant

**L**AHAINA — Old Republic Title & Escrow of Hawaii will relocate its Lahaina branch office to the newly completed Keawe Business Center this summer.

Old Republic has two branches on Maui and nine branches statewide, and is part of the Western Division of Old Republic Title, which includes California, Arizona, Nevada and Washington.

Staffing the new Lahaina office location will be Escrow Officers Vicki Kinkella and Kristie Perreira and Marketing Specialists Carrol Hall and Jasmine Leong.

Patricia Yee, senior vice president and state manager, said, "For over a century, Old Republic Title has been the most

trusted name in title insurance, and since 1992 we have been the highest-rated title insurer in the nation. We are so pleased to be moving to the Keawe Business Center, and we look forward to continuing to serve the Lahaina community and the island of Maui."

Keawe Business Center is strategically located near the first phase of the Lahaina Bypass highway in the thriving Lahaina Business Park, which gives businesses the advantage of the best central location to service their West Maui clients.

New tenants will appreciate the benefits of state-of-the-art energy efficient systems that can provide cost savings

in electrical usage up to 50 percent on utilities alone.

There is also the opportunity of leasing with an option to purchase for those who would like to own.
